## ELIO lounge chair

DESIGNER  
YABU PUSHELBERG

ART N°  
02512

### MATERIALS

- Legs are in plantation teak from East-Java, every part is handpicked during the cutting process of the tree.
- Seat shell weave in Tricord® on an aluminium frame. Tricord consists of an indestructible polyester core and an outside covering of weather resistant polyolefin. It is the ultimate combination of the strength of polyester and the natural look and feel of polyolefin: strong on the inside, soft on the outside. Tricord is exclusively designed for Tribù and is UV- and rot resistant.
